

the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

Lois D. Cashell,

Secretary.

BILLING CODE 6717-01-M

[Docket No. PR95-13-000]

AOG Gas Transmission Company, L.P.; Petition for Rate Approval

June 29, 1995.

Take notice that on May 25, 1995, AOG Gas Transmission Company, L.P. (AOG) filed pursuant to Section 284.123(b)(2) of the Commission's Regulations, a petition for rate approval requesting that the Commission approve as fair and equitable rates of \$0.0909 per MMBtu for transportation services performed in Oklahoma and \$0.1331 per MMBtu for transportation services performed in New Mexico under Section 311(a)(2) of the Natural Gas Policy Act of 1978 (NGPA). AOG proposes an effective date of July 1, 1995.

AOG states that it is an intrastate pipeline within the meaning of Section 2(16) of the NGPA. AOG is the successor, with respect to the Oklahoma and New Mexico facilities, to Picor Pipeline Company.

Pursuant to Section 284.123(b)(2)(ii), if the Commission does not act within 150 days of the filing date, the rate will be deemed to be fair and equitable and not in excess of an amount which interstate pipelines would be permitted to charge for similar transportation service. The Commission may, prior to the expiration of the 150-day period, extend the time for action or institute a proceeding to afford parties an opportunity for written comments and for the oral presentation of views, data, and arguments.

Any person desiring to participate in this rate proceeding must file a motion to intervene in accordance with sections 385.211 and 385.214 of the Commission's Rules of Practice and Procedures. All motions must be filed with the Secretary of the Commission on or before July 17, 1995. The petition for rate approval is on file with the

Commission and is available for public inspection.

Lois D. Cashell,

Secretary.

BILLING CODE 6717-01-M

[Docket No. RP95-357-000]

Sabine Pipe Line Company; Notice of Proposed Changes in FERC Gas Tariff

June 29, 1995.

Take notice that on June 27, 1995, Sabine Pipe Line Company (Sabine) tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the following revised tariff sheets proposed to be effective July 1, 1995:

First Revised Sheet No. 253

First Revised Sheet No. 254

First Revised Sheet No. 267

First Revised Sheet No. 268

Sabine states that the purpose of the filing is to revise Sabine's capacity release tariff provisions set forth in Section 10 of the General Terms and Conditions of its Volume No. 1 Tariff to comply with changes in 284.243(h) of the Commission's Regulations pursuant to Orders 577 and 577-A. Specifically, the revisions: (1) extend the maximum term of pre-arranged capacity releases at less than the maximum rate that are exempt from bidding requirements to thirty-one days, and (2) reduce the restriction period from thirty days to twenty-eight days for re-releasing capacity exempt from advance posting and bidding to the same pre-arranged shipper.

Sabine states that to date, there have been no prearranged releases of capacity that would be affected by the revised regulations, and Sabine requests that the revised tariff sheets be allowed to take effect July 1, 1995, concomitant with the effective date of Order 577-A. Sabine respectfully requests that the Commission grant a waiver of 154.22 of its Regulations, and any other waivers that may be necessary, in order that the enclosed tariff sheets be made effective as proposed herein.

Sabine states that copies of this filing are being mailed to its customers, state commissions and other interested parties.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, NE., Washington, D.C. 20426, in accordance with 18 CFR 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before July 7, 1995. Protests

will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Lois D. Cashell,

Secretary.

BILLING CODE 6717-01-M

[Project No. 6117-005; Utah]

City of Ephraim; Availability of Environmental Assessment

June 29, 1995.

In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission's (Commission's) Regulations, 18 CFR Part 380 (Order 486, 52 FR 47897), the Office of Hydropower Licensing has reviewed an application to amend the license for Ephraim City Power Project, located on New Canyon Creek, in Sanpete County, Utah. The application's major proposed change is: the inclusion of a water storage tank as a project feature. An Environmental Assessment (EA) was prepared for the application. In the EA, the Commission staff finds that approving the application would not constitute a major Federal action significantly affecting the quality of the human environment.

Copies of the EA are available for review in the Public Reference Branch, Room 3104, of the Commission's offices at 941 North Capitol Street, NE., Washington, DC 20426. For further information, please contact Mr. Jon Cofrancesco at (202) 219-0079.
